

Architectural Conference

Architectural Department
Faculty of Engineering
University of Sulaimani

Under the Auspices of the Minister of Higher Education and Scientific Research Dr. Yousef Goran
Supervised by the President of Sulaimani University Dr. Ridha Hassan Hussein and The President of Sulaimani Polytechnic University Dr. Alan Fraidoun Ali

University of Sulaimani and Sulaimani Polytechnic University Held its

1st INTERNATIONAL CONFERENCE ON THE DEVELOPMENT OF ARCHITECTURE

Toward a New Local Architecture

15 -16 Nov. 2017

Topics	Description	Important Dates
<ul style="list-style-type: none"> • Urban Design in Historic Cities. • Vernacular Architecture & Sustainable Design. • Critical Regionalism & Architectural Identity. • New Trends in Architectural Conservation. • Contemporary Architecture & Heritage in Kurdistan. • Sarai Building in Sualimani City. 	<p>The Conference aims to provide an effective forum for the exchange of new ideas regarding the question of local architecture, cultural heritage and identity facing the pressures of modern growth and global technologies. The themes emphasize the importance of developing a critical regionalist approach in modern architectural design that exploits lessons derived from sustainable vernacular architecture in a particular locality or region. It is also hoped that the Conference will shed particular light on important issues facing architectural and urban design in Sulaimani City in particular and Kurdistan Region in general. Several distinguished architects, who have been invited as keynote speakers, will inject exciting new ideas to the overall discourse.</p>	<p>10/04/2017 Abstract Submission deadline</p> <p>10/05/2017 Decision on Abstracts</p> <p>01/08/2017 Full Paper Submission Deadline</p> <p>01/10/2017 Decision on Full Papers</p> <p>15/10/2017 Registration Deadline</p> <p>15-16/11/2017 Conference</p>
